MEDICATION REQUEST FORM**

Any OTC medication must be brought to school by the parent in the original sealed container and labeled with the student's name. All medication is to be taken home by the parent when it is no longer needed or at the end of the school year. Unclaimed OTC medication shall be disposed of at the end of each school year.

All prescription and non-prescription medications should be provided by the parent/guardian along with: written permission of the child's physician and parent/guardian including the child's name, purpose of the medication, the time at which (or the circumstances under which) the medication shall be administered, and the length of time for which the medication is prescribed.
